

Hawg Halters, Inc.
Minimum Advertised Price Policy (MAPP) 2017

Hawg Halters, Inc. (HHI), a premier manufacturer/distributor of high quality performance parts for American V-Twin Motorcycles and some Imported Cruiser Motorcycles appreciates and supports their network of qualified resellers.

Recognizing an evolving retail / wholesale distribution environment, HHI continues to refine and develop their Internet Reseller Policy for online sales by establishing a Minimum Advertised Price Policy (MAPP). These policies will allow all our resellers to participate in the many e-commerce opportunities with clearly established Fair Market Value Pricing.

To protect the pricing integrity of HHI branded motorcycle products all retail price advertising must be at or within 10% of the current HHI established MSRP price list. Below are the detailed conditions of the HHI Minimum Advertised Price Policy (MAPP). HHI believes that these stated policies will benefit all our resellers by enabling them to develop and expand sales of HHI products while maintaining Fair Market Pricing for all our retail customers.

- A. HHI will issue printed price lists indicating Manufacturer's Suggested Retail Pricing (MSRP) and maintain a current listing with effective date of the MSRP price list. HHI will maintain on their website current pricing and copies of MSRP Price lists for reference. It should be noted that HHI reserves the right to change, update or otherwise modify at any time these active price lists at its sole discretion.

- B. Any priced advertisement, in any form of media such as, but not limited to, internet or similar electronic media, radio, television, flyers, posters, catalogs, mail order catalogs, magazines, e-mail newsletters, e-mail solicitations, coupons, mailers, inserts, newspapers, and public signage must not be more than 10% below the current MSRP as indicated on the printed price list or HHI website. Any pricing advertised that exceeds 10% below MSRP shown on the current printed price list or MSRP list on the HHI website will be a violation of this MAPP policy and subject to enforcement procedures as identified in this document.

- C. This MAP Policy applies only to advertised prices and does not apply to the actual price that HHI products are sold or offered for sale to an individual consumer within the Reseller's location. Resellers are free to sell HHI products at a price they determine will allow them to successfully conclude their sales transaction at in any given opportunity.**
- D. The inclusion in advertising of any free or discounted products with a product covered by this MAP Policy would be contrary to this MAP Policy if it has the effect of discounting the advertised price of the included HHI product below current MSRP as indicated on the HHI website or current printed price list.
- E. This MAP Policy does not establish maximum advertised prices. Resellers may offer HHI products at any price greater than the current MSRP.
- F. The HHI MAP Policy does not prevent the establishment by a reseller of the following types of events, promotions or incentives as long as they are universally applied to all products on the reseller's website and not just to HHI products.
- Free Shipping or a Discounted Shipping Rates for the Order.
 - Specific Promotion or Event Coupon Codes which are applied on the checkout page.
 - Site wide discounts, specifically targeting establishing a limited time offer like Black Friday, Cyber Monday, Reseller Anniversary Sale, etc.
- G. Internet auctions may not display or have a reserved bid or other acceptable prices exceeding more than 10% below the current MSRP.

H. Pricing listed on an internet site is considered an "advertised price" and must adhere to this MAP Policy. Once the pricing is associated with an intent to purchase (adding to shopping cart or order), the price becomes the selling price and is bound by this MAP Policy.

Statements such as, but not limited to the following that indicate or imply a lower price is available at the online check out stage are prohibited.

- " Add to Basket to see Price" • "We will Match any Price"
- "Call for Price" • "See Price in Cart" • "Log in for Price "
- "Check Shopping Cart for Lower Price"
- " E-Mail for better Price" • " Call for Lower Price"
- " Check here for Lower Price" • " Mouse over for Price"

These or similar phrases that are intended to circumvent MAP Policies are prohibited. Any special web site features, or software intended to deliver off book pricing or alternative discounts in the view of Hawg Halters Inc. are also prohibited.

I. HHI reserves the right to offer promotions on certain products. In such an event, we reserve the right to modify or suspend this MAP Policy in whole or in part by notifying all Resellers of the nature and duration of the change. HHI further reserves the right to adjust the MSRP with respect to all or certain products at its sole discretion. Such changes shall apply equally to all resellers.
