

New For 2017!

HHI

START WITH THE BEST, BUILD THE BEST...

Hawg Halters Inc.

Introducing the New Spartan Wheel designed by Hawg Halters

Featuring stunning, contoured 3 Dimensional spokes with intricate design accents throughout, this forged billet wheel will set your custom build apart.

Delivered in Show Chrome or Shadow Cut, the wheel comes in sizes from 16" to 30". Complete the look with matching Spartan True Floating Rotors from 11.5" to 18" and harness the full stopping power of your brakes by adding HHI 4 or 6 piston direct bolt-on calipers.

New HHI Billet Fork Covers!

The stunning Taper Cut Covers come in Show Chrome, Black, and Shadow Cut in four styles, Smooth, Fluted, Fluted with Cutout Accents and Tri Line. These Taper Cut Fork Covers fit Early and Late Style Touring Models in lengths from +1 to +4, fitting wheel applications from stock to 32".
