HHI & Renegade Wheels Introduce the Dominator Performance Sprocket Kit!

Hawg Halters and HHI/Renegade Custom Wheels proudly introduce their Dominator Custom Sprocket & Hub Kit for Hod Rod & Performance Bagger applications.

Delivered in over 40 matching designs to our Renegade Custom Wheels these 48 & 51 tooth, custom heat treated 7075

aluminum non-cush drive sprockets & hub not only look cool but offer unparalleled strength and styling in both 5 & 10 bolt configurations.

The Dominator Sprocket & hub kit is available in Machine, Black, Phantom Cut, Aztec Gold, and Chrome finishes.

This new Sprocket-Hub Kit fits all 2009 - up Touring models and is designed exclusively for HHI/Renegade Custom Wheels.
